

Secretary's Report

The first meeting ~~of~~ the Society's 15th season was held on Wednesday, September 7th in the Society's regular location.

The speaker for the evening was Frank L. Baker, W1ALP, SCM and Assistant Director who spoke on his ~~function~~ function as SCM and the service provided by ARRL. ARRL's Ham Quest membership drive was discussed-with 2 Hams joining ARRL.

President Fasolino ^{told About} ~~discussed~~ the Society's new membership drive. 10 new Hams were present at the meeting.

The participants had many questions about the League and about Incentive Licensing. Most of the participants felt that they would not renew their Ham radio plates next year because of the present association with the Vanity Plate group.

Refreshments were served after the formal meeting was adjourned.
